

U.S. Department
of Transportation

**Pipeline and Hazardous
Materials Safety Administration**

East Building, PHH-32
1200 New Jersey Avenue, Southeast
Washington, D.C. 20590

APPROVAL CA1996070013
SIXTH REVISION
ISSUED BY THE COMPETENT AUTHORITY OF THE UNITED STATES
EXPIRATION DATE: AUGUST 31, 2015

1. **APPROVAL HOLDER:** **Columbiana Boiler Co., LLC**
200 W. Railroad Street
Columbiana, OH 44408 United States

2. **REGULATORY AUTHORITY:**
 - a. 49 CFR 173.314; and
 - b. Chapter 7.9, Section 7.9.2 of the International Maritime Dangerous Goods (IMDG) Code.

3. **SYNOPSIS:** This approval authorizes the transportation of materials described in paragraph 5a. below, in the packaging prescribed in paragraph 5b.

4. **BASIS:** This approval is issued in response to Columbiana Boiler Company, LLC's original application dated July 24, 2003, and renewal request dated October 4, 2005 and subsequence request for renewal dated July 9, 2010.

5. **PERIOD OF VALIDITY AND CONDITIONS OF APPROVAL:** This approval does not provide relief from any requirements of the Hazardous Materials Regulations or the IMDG Code except as stated herein. This approval is valid until the posted expiration date above or unless terminated by the Associate Administrator for Hazardous Materials Safety.

- a. Approved Materials: Those hazardous materials authorized for transportation in DOT Specification 106A and 110A multi-unit tank car tanks listed in Section 173.314 as referenced from Section 172.101.
 - b. Packaging: DOT Specification 106A500X and DOT Specification 110A500W, 110A800W and 110A1000W multi-unit tank car tanks.
 - c. Testing: The requirements of 49 CFR 180.519 applies.
 - d. Marking Requirements: Each multi-unit tank car tank used, prepared under the provisions of this approval must be plainly marked with the approval number in addition to the markings required by the applicable DOT Specification, inspection and re-test.
6. **MODES OF TRANSPORTATION AUTHORIZED**: Motor vehicle, rail freight and cargo vessel.
7. **SPECIAL PROVISIONS**:
- a. A current copy of this approval must be maintained and made available for examination at each location where materials are packaged and offered for transportation under its authority.
 - b. A current copy of this Approval must be carried on board each motor vehicle, rail freight and cargo vessel used in transportation under its authority.
 - c. Any person who offers for transportation or transports the above-described package(s) may do so under the authority of this approval if all requirements and conditions of this approval are met.
 - d. Any person who receives a package covered by this approval may reoffer it for transportation provided no modifications or changes are made to the package and it is reoffered for transportation in conformance with this approval.
 - e. This Approval in no way affects the need to obtain any required authorizations from other agencies of the United States Government or from the competent authorities of countries of transit and destination.
 - f. CA1996070013 must be either marked on the metal plate attached to the tank or be stamped on the tank's chime.
 - g. The approval holder must maintain a record of all activity conducted under the authority granted in this approval and upon request, make this information available to DOT representatives.
 - h. The report must contain a listing of the number and types of shipments made.

- i. Shipments or operations conducted under this Approval are subject to the Hazardous Materials Incident Reporting requirements specified in 49 CFR 171.15 – Immediate notice of certain hazardous materials incidents, and 49 CFR 171.16 – Detailed hazardous materials incident reports. In addition, the holder of this Approval must notify the Associate Administrator for Hazardous Materials Safety – OHMSPA, in writing of any incident involving a package, shipment or operation conducted under the terms of this Approval.
8. **GENERAL PROVISIONS:**
- a. Failure by any person to comply with the terms and conditions of this approval and the Hazardous Materials Regulations, 49 CFR Parts 171-180 or the IMDG Code may result in the modification, suspension or termination of that person’s authority to use this approval. Failure to comply may also subject that person to penalties prescribed by 49 U.S.C. §§ 5123 and 5124. This approval may be modified, suspended or terminated in its entirety if that action is justified in light of changes in circumstances or additional information not available when this approval was issued. Unless immediate modification, suspension or termination is necessary to avoid a risk of significant harm to persons or property, before action is taken, that person will be notified and provided with an opportunity to show why the proposed action should not be taken.
- b. Each “Hazmat employee”, as defined in § 171.8, who performs a function subject to this approval must be provided training on the requirements and conditions of this approval in addition to the training required by §§ 172.700 through 172.704.
- c. Any person operating under the terms of this approval must comply with the security plan requirement in Subpart I of Part 172 of the HMR, when applicable.

Issued in Washington, D.C.

Dated: **07/21/2011**

A handwritten signature in blue ink, appearing to read 'Dana By', is written over a faint circular stamp.

For Dr. Magdy El-Sibaie
Associate Administrator for Hazardous Materials Safety
