Certificate of Registration

Pursuant to its application on file with Transport Canada, to the *Transportation of Dangerous Goods Regulations*, and to clause 6.5 of Transport Canada standard TP14877, "Containers for Transport of Dangerous Goods by Rail",

Columbiana Boiler Company, LLC
200 W. Railroad Street
Columbiana, Ohio
United States

is granted this Certificate of Registration for the manufacture of ton containers subject to the following conditions:

- 1) The design, manufacture and inspection shall be in accordance with:
 - a) the applicable requirements of the TP14877 standard and
 - b) the specific manufacturing, quality assurance and inspection procedures on file with the Director, Regulatory Affairs Branch;
- 2) The ton containers shall be in accordance with the designs corresponding to the drawing numbers listed in the attached Appendix A, which are on file with the Director, Regulatory Affairs Branch;
- 3) The manufacturer's registered mark is "CBCO"; and
- 4) Not later than twenty days after any change occurs in the information on file at Transport Canada supporting the application for registration, the applicant shall advise the Director, Regulatory Affairs Branch of any such change.

This Certificate of Registration may be suspended or revoked by the Director in the event of failure to comply with the above-mentioned conditions or with any applicable regulations.

This Certificate of Registration shall expire on the date shown below unless revoked earlier. An application for renewal of this Certificate should be submitted at least three months before the expiry date.

Dated: July 11th, 2018

Expiry Date: **August 1st, 2021**

Certificate No.: **4067-32-15-2-11E**
